AGENDA

Friday, September 20, 2019

3F Huangshan Hall

ASFP Symposium and Workshop

Chair Persons : Ri-Cheng Chian (China), Osamu Okitsu (Japan)

Time	Topic	Speaker
14:00-14:30	Principle of vitrification	Ri-Cheng Chian (China)
14:30-15:00	Update of oocyte vitrification	Osamu Okitsu (Japan)
15:00-16:00	Hands-on oocyte vitrification with closed system	
16:00-17:00	Hands-on ovarian tissue vitrification with closed system	
17:00-17:30	Questions and Discussions	
18:00-20:30	Welcome Reception	

Saturday, September 21, 2019

4F Baihua Hall

Time	Topic	Speaker
Opening Ceremony		

Chair Persons: Ri-Cheng Chian, Wen Di, Congjian Xu, Wen Li

08:00-08:10	Welcome Speech: President of Shanghai 10th People's Hospital of Tongji University - Huanlong Qin	
08:10-08:20	Welcome Speech: Chairman of Shanghai ART Scientific Committee - Shanguo Li	
08:20-08:30	Welcome Speech: Chairman of Shanghai ART Ethic Committee - Pei Chen	

Session 1: Basic Science and Assisted Reproductive Technologies

Chair Persons: Wen Li, Jie Yan, Yungui Cao

08:30-09:00	Historical view of in vitro fertilization technologies	Milton Leong (HK, China)
09:00-09:30	Overview of infertility treatment in Japan	Yoshihara Morimoto (Japan)
09:30-10:00	Multi-omic single-cell analysis of in vivo and in vitro matured human oocytes	Khekooi Kee (China)
10:00-10:30	Coffee Break	

Session 2: Female Infertility and Ovarian Stimulation

Chair Persons: Jie Zheng, Yao Wang, Changlong Xu

10:30-11:00	How to optimize timing of embryo transfer using endometrial receptivity testing	Jack Huang (USA)
11:00-11:30	Fresh or frozen embryo transfer	Yunxia Cao (China)
11:30-12:00	Gyne-Surgery and Fertility Preservation	Wen Di (China)
12:00-13:30	Lunch Break	

AGENDA

Saturday, September 21, 2019

4F Baihua Hall

Time	Topic	Speaker
Session 3: Male Infertility and Sperm Cryopreservation		
Chair Persons: Ying Qiu, Xiaojin He, Shanjun Dai		
13:30-14:00	An approach to male infertility: what do OBGYNs need to know	Zaraq Khan (USA)
14:00-14:30	Updates for sperm cryopreservation	Aucky Hinting (Indonesia)
14:30-15:00	Fertility preservation for male	Chengliang Xiong (China)
15:00-15:30	Overview of fertility preservation in Russia	Svetlana Pavyuchenkova (Russia)
15:30-16:00	Coffee Break	

Session 4: Gamete Freezing Updates

Chair Persons: Xingling Wang, Zenghui Mao, Zhiguo Zhang

16:00-16:30	Overview of fertility preservation in China	Congjian Xu (China)
16:30-17:00	Freeze-all ART	Fu-Tsai Kung (TW, China)
17:00-17:30	IVM for female fertility preservation	Xiaoyan Liang (China)
17:30-18:00	The source of oocytes for infertility treatment	Ri-Cheng Chian (China)

Sunday, September 22, 2019

4F Baihua Hall

Time	Topic	Speaker
Session 5: Fertility Preservation		
Chair Persons: Ping Zhou, Qing Li, Yufang Cai		
08:00-08:30	Updates of ovarian tissue freezing and transplantation in the worldwide and Asia	Nao Suzuki (Japan)
08:30-09:00	Current status of fertility preservation in Korea	Seok-Hyun Kim (Korea)
09:00-09:30	GnRH agonists for ovarian protection during chemotherapy	Nares Sukcharoen (Thailand)
09:30-10:00	Coffee Break	

Session 6: Cancer Treatment and Fertility Preservation

Chair Persons: Lan Xu, Hongjuan Ding, Lihua Xia

10:00-10:30	Ovarian tissue freezing preservation and transplantation	Wen Li (China)
10:30-11:00	Outcome of fertility reservations after ovarian tumor treatment	Xiaoyu Niu (China)
11:00-11:30	Quality control for infertility treatment	Yun Sun (China)
11:30-12:00	Mild stimulation for fertility preservation	Jie Li (China)
12:00-12:30	Closing Remarks : Ri-Cheng Chian, Wen Li, Yun Sun, Jie Li
